To Whom It May Concern:

Glen Adams of Pro Vinyl has worked with our company for over 12 years, providing not only exemplary service to our customers, but also to our staff. Glen has been the number one technician for all of our leather care needs, going above and beyond our expectations in providing our customers the highest level of service. We appreciate that Glen is always punctual, prepared, and ready to meet the needs of our customers for every service call he attends. We look forward to many more years of this excellent partnership in the future, and thank Glen for all of the years he has worked with us to make the best experience possible for each and every customer.
